

Back to school

I have not been at school for a while because I have been staying at home.

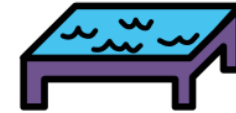

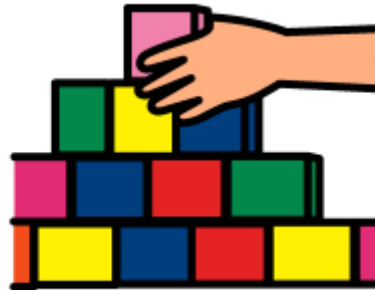

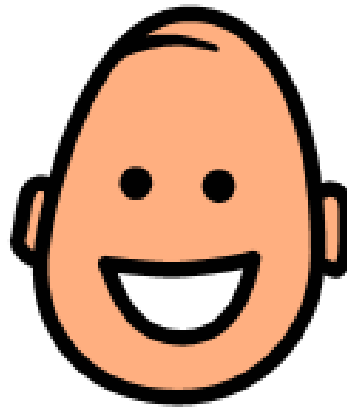

Home

This is because of some germs called
Coronavirus

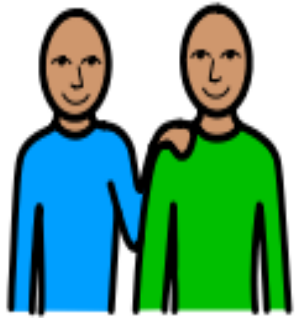

Coronavirus

I have been doing lots of fun work activities at home with my family.

Some of my friends from school have also been staying at home.

It has been fun at home but now it is time to go
back to school

At school I will see some of my teachers and some of my friends

At school some things might be a bit different.

Different

This is to keep me safe.

I might find the changes difficult at first but my
teachers will help me.
It is ok.

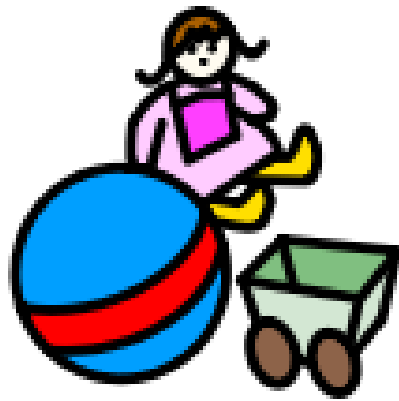

Worried

Some of the grown-ups might be wearing masks,
aprons and gloves.

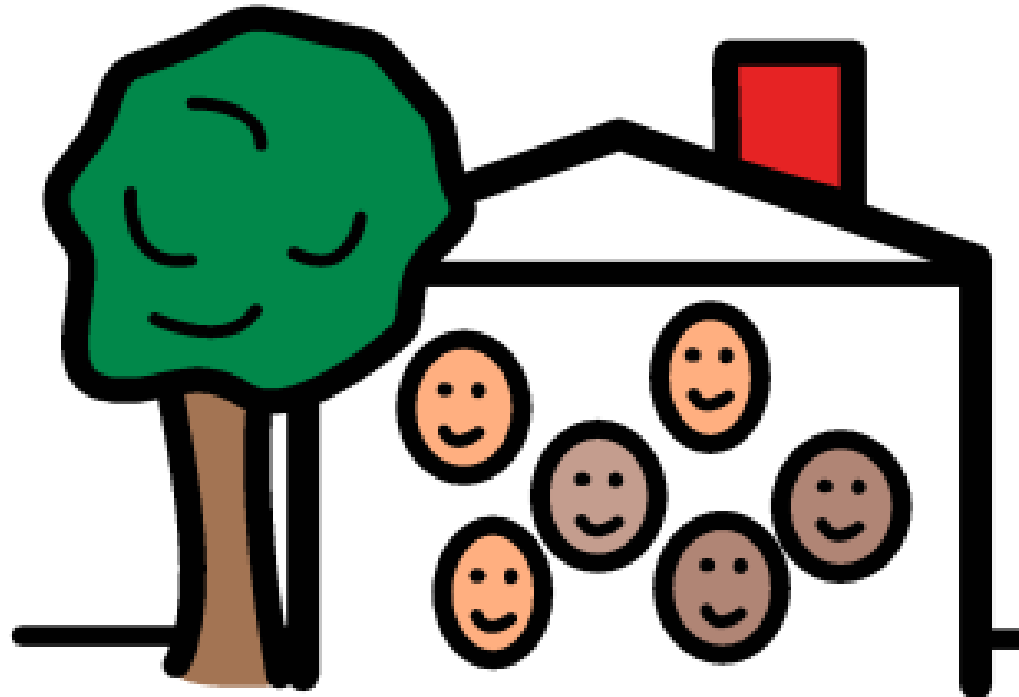

I might not be able to play with all of my favourite toys.

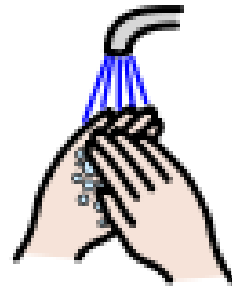

Toys

I will stay with my class bubble to keep me safe.

Adults in school will also keep me safe by helping me to wash my hands.

Wash your hands

Going back to school will be fun.

School might be different but this is to help keep me
safe.

This is ok.

My teachers and family will be proud of me staying safe at school.
